Fence Staining

The Cobblestone HOA has been looking for someone who can paint stain on our common area cedar fences. It is difficult to find contractors at this time. If you or anyone you know may be interested in helping, please contact a member of the homeowner management committee.

Landscaping

The landscaping has been completed across from the Clubhouse. The pine trees have been trimmed by the Dattage's. The bark refurbishment has also been completed along Choke Cherry Lane and Willow Lane. Thank you to those who have contributed in both time and donations.

Sauna

The Sauna has been repaired and is now working. Thank you for your patience while it was being repaired. Please be careful when putting water on the heating element that you do not overfill it.
