Steven R. Jacobsen, Member

Management Committee

Meetings are on the first
Monday of each month at 6p.m.
Homeowners Invited.

Management Committee

Steven R. Jacobsen has been appointed as member at large to replace David Saunders on the Cobblestone at Spring Creek Management Committee. We appreciate his willingness to serve the community.

Parking

The Committee has been aware of residents who have need for overflow parking. We are asking that these residents apply for a parking exemption which will enable them to park overnight in visitor parking. This approval will be on a case by case basis. Applications for approval are available in the office.

Please be reminded that residents who have overnight guests fill out an orange overnight temporary parking permit. The orange permits are available in the clubhouse lobby. This request is made because in the past we have needed to notify owners of cars who were parked in visitor parking that needed to be moved and we have had no way of contacting them. Examples: Snow removal, parking lines, clubhouse events, asphalt, etc.

Security Gates

We have had issues with the gates not operating properly from time to time. If you notice the gates are not closing or opening properly, please contact a member of the Management Committee so we can have them repaired.

Clubhouse Microwave

The Clubhouse Microwave has been replaced.
