## MANAGEMENT COMMITTEE

Cobblestone at Spring Creek Members Meeting was held in May. Randy Anderson was elected to take a position on the Management Committee for a 3 year term. He will be replacing Joan Cooper. We thank Joan for her many hours of service to the Cobblestone community. She has been a valuable committee member for several years.

Tamie Fisher has been appointed to take the place left open by David Saunders. She will be in charge of landscaping and will serve for the remainder of his term which is one year.

These positions are unpaid service to the community and many hours of intense work go into these positions. We are grateful to those who are willing to serve. We are your friends and neighbors and love this community as you do.

## FITNESS EQUIPMENT

A big Thank You to Jeanette John for donating a recumbent bicycle to our fitness room. We appreciate donations!!!

## PARKING

The Management Board is receiving numerous complaints about parking violations within the community. We will begin giving notices to vehicles parking in no parking areas. We have also gotten notices from Providence City for problems collecting garbage because vehicles are parked in the way. If you have construction or service vehicles that need to park on the street, please notify the HOA for approval when such vehicles will be parked and advise them to keep as limited time as possible. If you receive a warning, you will be fined if the vehicle is parked illegally again.

## POOL

Summer is here and more children are visiting our pool. Please be reminded that all children or guests must be accompanied by a RESIDENT ADULT. We will be monitoring our video to verify the pool rules are being followed. We will be checking I.D.'s because of recent abuses.

## NO SOLICITING

A no soliciting sign is currently posted at the south gate. We are in the process of adding another sign at the north gate. Please be aware there is no soliciting allowed in our community.

## JULY MANAGEMENT COMMITTEE MEETING

The Management Committee Meeting in July has been set for July 10<sup>th</sup>, the second Monday in July. The first Monday is on July 3, and the meeting will not be held that day.

## OFFICE CLOSED

The office will be closed from June 12-16. We will open again on June 20, 2023.
