COBBLE STONE
AT SPRING CREEK

NOTICE OF MEMBERS MEETING
Thursday, May 16, 2024 at 6:00 p.m.
Cobblestone Clubhouse
Reminder to bring your ballots.

POOL
The pool opening has been delayed again. We are waiting for materials to finish the project.

Sprinkler Turn On
Sprinklers are scheduled to be turned on during the first or second week of May. We have some repairs to do which may delay the schedule.

While we are troubleshooting, we ask you to immediately report any sprinkler water leaks to the management committee. Please take extra caution to look for any water issues in your yard.

If you left your backyard valve open last fall, make sure you have it TURNED OFF. If the backyard valve is not turned off, you may experience in your home. If you are not planning on being home during those two weeks, please check and double check your valves.

Please do not contact Jason Dattage while we are troubleshooting.

Fiber Optics
If you signed up for the basic package so they would bring fiber optics into your home and are not planning to use it currently, you should call your provider and cancel the basic service.

If you have any questions, please call the office at 435-753-9673.

VANDALISM AT NORTH GATE
The north gate circuit board was fried because someone forced the gate open. Repairs to the North Gate will cost the community $1,104.83. The gate should never be forced open.

We are in the process of getting a new circuit board that works with our gate and keycard software program. Until then we will not be able to make changes or add gate remotes or key cards.
