*Meetings are on the first  
Monday of each month at 6p.m.  
Homeowners Invited.*

## Fall Water Turn-off

The fall outside landscaping water turn off will be on September 26<sup>th</sup>. After that date be aware that any flooding coming from outside is not from the sprinklers. Dattages will be blowing out sprinklers the week of October 7<sup>th</sup>. If you want to use them to blow out your backyard area you will need to contact him before October 7<sup>th</sup> to arrange it. The equipment needs to be rented, and this will be a one time blow out. After that date, he will not be able to accommodate requests for additional help.

## Fall Trimming

We will be doing our fall trimming soon. If you trim branches or remove debris from your own backyard, do not place it in front of the Dattages to remove. It is your responsibility to dispose of it. All common area trimming is managed by the HOA.

## Recycling

The Cobblestone at Spring Creek Management Board has been reviewing recycling within our community. We are considering cancelling recycling pick up. We need to know from our residents if you are still wanting to recycle even if you pay for it on a separate bill. We would like you to reply by email if you are interested in that.

## Fitness Room

We have installed a key card lock on the fitness room for additional security. Please use your key card to access.

The treadmill monitors have been recently updated and the programs run a little differently. We are working on posting instructions in the fitness room.
