

Rain Gutters

We are now coming into spring. Each homeowner should check their downspouts and rain gutters to make sure they are flowing efficiently. Rain gutters can fill with leaves and asphalt from the shingles. If your rain gutter runs into an underground drain, please check to make sure the water is not backing up.

GATES

The gates are very expensive to fix. Please do not physically attempt to open the gates in any form. Please do not force gates open. If having problems opening, please report to our website. You will be held responsible for the full cost of repairs of the gate if you or your visitor physically move the gate. Gates open at 5 a.m. and shut at 10 p.m.

POOL & SAUNA

All visitors to the pool need to be accompanied by a resident adult (over 18 years of age). There are no food or drinks allowed in the pool area. We have had several instances of unattended minors in the pool.

The sauna was found to have issues with the coils due to chlorine water (likely from the pool) and the overuse of water being poured in. Please do not put pool water into the sauna as this can damage the coils, cause electrical issues, and isn't healthy for individuals using the sauna. Thank you for your help.

NOMINATIONS FOR MANAGEMENT COMMITTEE

Randy is heading up the nomination committee for elections in May. If you're interested in serving as a member of the management committee, please contact Randy directly. There are 2 openings that will be filled in May. Nominations close on April 15, 2025.
