

Cobblestone HOA Info

See the website for HOA updates, recommendations, home selling/buying info, clubhouse gathering room reservations, radon testing info, and all things Cobblestone. Click [here](#) or go to www.cobblestoneatspringcreek.org

Clubhouse Reservations

You can now reserve the clubhouse gathering room online, please see Cobblestone's website or click [here](#).

Pool Use

- No Food or Drinks in the pool area. This is the Bear River Health Department policy.
- Non-resident guests need to be accompanied by a resident.
- An adult resident is required to be in the pool area with children under 18 or non-resident guests.
- Please do not use pool water in the sauna.
- Please do not allow children to throw pool chairs into the pool or jump on the hot tub covers.

Snowstorms and Parking

- Snow removal throughout the community typically takes **2-5 hours**, depending on conditions.
- If your vehicle is parked in front of your driveway when the snowplows come through, **your driveway will not be plowed**.
- If you live in a cluster unit, please move vehicles from parking spaces at the **end of the cluster** so snow can be pushed through properly.
- Please park your vehicles in any visitor parking area **except in front of the clubhouse**, this area is for short term use for residents to access the clubhouse easily.
- Vehicles parked at the end of a cluster when plows arrive will have snow pushed behind them, and the vehicle owner will be responsible for digging out.
- Hand crews will clear all sidewalks toward the **end of the snowstorm**.

Thank you for your cooperation in helping keep our community safe and accessible!

Radon Testing!!!!!!

- Several homeowners recently did a radon Test and results came back with dangerously high levels.
- While radon testing is not required, the HOA strongly encourages residents to consider testing their homes as a proactive step to protect their health and the well-being of their families.
- Go to www.cobblestoneatspringcreek.org to learn more and link to get a free test.
