

Management Committee
Elections
April, 2026

Marilyn J. Adams

Reserve I have lived in Cobblestone since February of 2007, so just over 19 years. I graduated from USU with a Finance major and minor in Economics. I have previously served a full term on the Cobblestone HOA Management Committee Board. I have worked for the same land title company in Logan, for a period of just over 56 years. I also served on the Board of Directors at the Logan Golf and Country Club and eventually served there as President of the club. I was the first woman to serve as the country club president. I am an active member of my church and currently volunteer there as well. I enjoy playing golf and skiing in the winter. I have family members living in Cache Valley and have always enjoyed the area.

Randy Douglas

My name is Randy Douglas and my wife, and I just recently moved into Cobblestone. I have lived in several states and been involved with homeowner associations in the past. I have served as a member of several national boards. My work experience is varied with having started many companies involved in advertising, retail, public relations, entertainment and hospitality. If elected, I will strive to do my best to represent all the residents of Cobblestone.

Stacey Jones

Stacey Jones has been appointed by the management committee to fulfill the remaining term of a previous board member.

Hi neighbors, I'm Stacey. I've lived in Cobblestone for about a year and previously owned a home in Providence for 12 years. I am a sixth generation Cache Valley native and have lived in the valley my entire life, so this community is not just where I live, it is home. I graduated from Logan High School and earned a Bachelor of Science from Utah State University.

By day, I work in quality and regulatory sciences for an orthopedic design firm in a highly regulated, FDA-governed industry. My work centers on precision, accountability, and keeping complex systems running smoothly and correctly. I am detail-oriented, organized, and known for being responsive and following through.

Outside of work, I enjoy long walks, playing chess, watching true crime, collecting glass, and spending time with my family. I live on Cobblestone Drive with my husband, Tanner, and our 12-year-old daughter, Summer.

I am interested in serving on the HOA board because strong communities do not happen by accident. They take people who pay attention, communicate clearly, and follow through. I would bring a steady, practical approach and a genuine investment in keeping our neighborhood a place people are proud to live.

Elections

- Ballots will be sent out this month (April)
- Please return ballots under the office door, in the ballot box inside the clubhouse, or mail to the office at the address listed on this newsletter
- Or bring to the Annual Meeting May 4 at 6 PM
- Ballots must be returned by May 4, at 6 PM, 2026 (May the 4th be with You)

Management Board Meetings

- Open to residents and homeowners to attend anytime
- First Monday of each month at 6 PM unless an official state holiday
- **Annual meeting May 4, 2026 @ 6 PM**
- Our HOA Insurance rep will be present to explain our HOA insurance policy to homeowners and help homeowners/residents know what they need for insurance coverage on townhomes & homes
- The current board will go over the financial year and current standing of the HOA
- Q&A on any community concerns and questions
